

From Nicole:

Hello Everyone!

Well, it seems winter is here and the year is quickly coming to an end. Thank goodness Colorado winters give us a few days of sun and calm every now and then so we can get out and ride our ponies!

Just a quick reminder that the 2010 Awards Banquet is scheduled for Saturday, January 29th, 6:30 PM to 9:30 PM at Kirk Hall on the Douglas County Fairgrounds in Castle Rock. There will be a "Barn Basket" silent auction again this year, so if you are interested in contributing then please contact Carol Jones Taylor at windyridgethoroughbreds@juno.com. Also, please return all CCC trophies to Ashley Demander Worrall prior to the banquet. You can reach her at 303-829-5427

Thank you to all of the volunteers that contributed to our sport this season! Your help is greatly appreciated and keeps this sport alive!

I am looking forward to seeing everyone at the banquet. Please check the newsletter for more information.

CCC minutes for October 27, 2010

Meeting called to order at 7:00 PM

People present: Susan and Dick Farmer, Ashley Worrall, Jan D'Alessandro, Nicole Ackerman, Rochelle Costanza, Gennifer Giustina, Judi Tobias, Scott and Carol, a student of Carol's...

Minutes from the last meeting: approved

Treasurer report: \$11,981.39. \$5600 was transferred into the savings account. The insurance forms need to be filled out for next year and Scott is wondering who does this. Maybe Betsy Grandos can help?

President Report: Nothing

VP report: Ashley's address didn't show up on the page for the awards banquet... it ended up on the next page. Ashley will email the banquet and award info to Rochelle so she can put it on the website. At the next meeting we will need to discuss what will be the main course at the banquet. Scott gave Ashley a \$50 check for the Fire Department of Castle Rock.

No delegate present

Website: Rochelle's brother is changing the website host to something monitored by Google. This will be easier to navigate/monitor. Rochelle wants to remind everyone that if there is something wrong with the website that she needs to be told so she can get it fixed.

CCC Fall Benefit: Had water jump issues. There were 70 entries. Have enough help. The food was good. The CT was more popular than the pace which wasn't as well attended as usual. Judy doesn't want to run it next year, so a new "organizer" needs to be found. The benefit made \$4400 and \$800 was spent to hold it. A late fee was not charged for late entries.

Spring Gulch: Jean Spencer has volunteered to be the volunteer coordinator.

Old Business: Candy will do the show jumping course for Spring Gulch.

New Business: Need to figure out a date for the fall benefit. Maybe do a poker run with it too?

* Steve will email Scott a materials list soon and we can start pricing the materials

* Susan Farmer is trying to figure out how to get more horses at her event. She doesn't like the idea of running a Beginner Novice Easy division since those points count the same as the regular BN divisions. She wants to offer an elementary division as a "test" and the competitor wouldn't have to pay any USEA fees and could get introduced to Eventing.

There was talk about whether or not this is allowed to take place during a regular recognized event

Meeting End at 7:40. Next meeting: Wednesday, December 1, 2010 7 pm at the Monument Grill.

NEXT MEETING December 1, 2010, at 7:00 PM

In Monument, at the Monument Grill

The meeting is open to all, so please feel free to join us.

Remember, if you want to school at Spring Gulch

It is open 365 days a year, weather permitting.

Purchase of a daily pass or yearly pass is required.

BY-LAWS, MOUNTAIN STATES EVENTING ASSOCIATION -- CENTRAL COLORADO CHAPTER

(Revised and approved January 2007)

These by-laws are established by the Executive Committee of MSEA-CCC under Article 5 of the Chapter Constitution

- Section 1. Amendment.
The By-Laws for MSEA-CCC may be amended by a quorum of three out of the five elected members of the Executive Committee at any committee meeting.
- Section 2. Clarification of the Constitution
- A. "USEA Rules" shall mean the current issue of the rules for Eventing published by the USEF (United States Equestrian Federation).
- B. Organizers of events who wish to have advanced endorsement from MSEA-CCC to be eligible for year-end award points need only assure the Executive Committee that the rules will be followed conscientiously.
- C. Certain of the rules may be suspended for local events without jeopardizing their endorsement by MSEA-CCC by discretion of the Executive Committee.
- Section 3. Awards
- A. Points for year-end awards of MSEA-CCC can be accumulated at any event that follows USEA rules and is held in the CCC area (Area IX) whether or not it is recognized by USEA or MSEA, Inc. Points from other areas will adhere to B.i.-B.j. below.
- B. Scale of points for winners:
- Unrecognized Two-phase event -- half points
 - USEA recognized Two-phase event -- single points
 - Unrecognized Three-phase event -- single points
 - USEA registered event (horse trials) -- double points
 - USEA Area IX Championship Horse Trials shall receive triple points.
 - USEA recognized Two-Day events shall receive triple points.
 - USEA recognized Three-Day events shall receive quadruple points.
 - USEA recognized CIC events shall receive double-and-a-half points.
 - USEA registered events (horse trials), Two-Day events and Three-Day events outside of Area IX shall receive the same points as Area IX, but these points are not to exceed 33% of total points
 - If there is no USEA registered event (horse trial), Two-Day event or Three-Day event of a particular level offered in Area IX for a given year, points outside the area may exceed 33% of total points. If there is an event offered at that level (whether or not a CCC member places), rules a-i above apply.
- C. Point Basis
If there are six or more starters in a division, points shall be awarded on a 6, 5, 4, 3, 2, 1 basis. If there are fewer than six competitors, points will be reduced: e.g., if there are three starters, points should be 3 for first, 2 for second, and 1 for third. It is incumbent upon the secretary of each horse trials to get the results to the Vice President for accounting purposes for year-end awards.
- D. Eligibility
To receive a high point award at any level, both the rider and the owner of the horse must be members of MSEA-CCC and points must have been earned by the same horse-rider combination.
- E. Additional policies
- Year-end Senior and Junior champion and reserve awards shall be given to Beginner Novice, Novice and

CENTRAL * COLORADO * CHAPTER

Training levels.

- b. The same horse/rider combination may not win a Year-end award more than twice at any given level.
- c. To be eligible, each horse/rider combination must submit an itemized listing of places and points earned to the Vice President within one 1 month of the last event of the calendar year or with "Call for Awards," whichever comes first.
- d. To be eligible for year-end awards, the rider or rider representative must complete 4 hours of volunteer service and must provide that information to the Vice President when submitting the itemized listing of placings. Volunteer hours can be served for any horse trial in the CCC area, at the Spring Gulch clean up days, or at any other CCC function.
- e. Regarding eligibility for the Beginner Novice Rider awards, the rider must be new to eventing,--i.e. never competed in a combined training event prior to the current eventing season--must be an amateur and must compete with the same horse/rider combination.
- f. Ties – Ties at the Champion and Reserve Champion levels will be broken by the following procedure: the winner will have the highest average of his/her top 3 scores at any USEA recognized horse trial, 2-Day event or 3-Day event in the given competition year. Ties will be honored at all other places, but placings will be skipped accordingly (i.e. if two riders tie for 3rd place, then 4th place is skipped).
- g. I/P placings shall be calculated as points towards Preliminary division year-end awards.

Hi Everyone,

It's that time of year again, to plan your Barn Basket for the MSEA-CCC silent auction. This auction raises much needed funds to keep Spring Gulch cross country fences maintained. This is something that benefits ALL of us, so any individually donated auction items will also be much appreciated.

So, once again.....let's raise the challenge to all barns in the area to bring those baskets, and get 'em filled.

Please contact me at windyridgethoroughbreds@juno.com to let me know what you are bringing so I can get the Auction Lists in order. Also, give me the approx. value of your item or total value of the Barn Basket so I can also note that on the bid sheets.

Thanks so much everyone,
Carol Jones
